Custom Audit Solutions

At Optimum Cash Audit and Operation Services, we understand that finding the right Auditing Service may be an overwhelming challenge. For this reason, we have structured our company to be the main resource for your audit service needs.

Our Team provides a professional and confidential review of your cash and operation services. We will provide your Financial Institution with an Audit Plan that will include a comprehensive and detailed listing of all requested services.

Business Solutions

Our team has over 40 years of audit experience.

For other Audit Service we provide, please contact Cassandra Soliman at 1-919-900-0908 or csoliman@optimumaudits.com.
